

## Grow your volume and profitability with Discover®

Combining the strength of multiple integrated networks, Discover® gives you the power to grow volume and increase profitability with solutions and services from leading networks around the world—a world of opportunities for your business.

**Discover**—A comprehensive, secure payments network that connects to millions of merchant POS terminals and ATMs globally

- Throughout the U.S., Canada, Mexico and the Caribbean
- Plus, a growing issuance business with more than 30 issuers

**PULSE**—A leading international ATM and debit network acquired by Discover in 2005

- Over 675,000 ATMs in over 70 countries globally
- 1.7 million point-of-sale locations in the U.S.

**Diners Club International**—A premier global payments network acquired by Discover in 2008

- Acceptance in over 185 countries and territories
- 50 franchises
- Access to over 130 airport lounges around the world

**Discover Alliances**—Discover partners with leading payment networks around the world to provide growing global acceptance and incremental volume to the Discover merchant, acquiring and processing partners.

**JCB**—The largest card issuer and acquirer in Japan

- More than 61 million cardmembers
- Provides Discover access to JCB merchant locations and ATMs throughout Japan

**China Unionpay**—An independent brand of bankcards in China with a global presence

- Surpassed 2.1 billion cards
- Provides Discover access to all ATMs and electronic payment merchants in Mainland China

**BC Card**—The largest network in South Korea

- More than 52 million cardmembers
- Discover will provide BC Card access to merchant and ATM locations via Discover, Diners Club International and PULSE outside of South Korea
- Interoperability is targeted for completion by the end of 2010

It pays to

wherever you go.™
